.....
Liana advised that she met with Gary, Michele and the folks from Bounce A Rama so they could see the areas in which we would like to have them set up.

Bounce A Rama has been booked, they will cover most of the Entertainment, and they are also the most reasonable. They do take a long time to set up, Liana said that it was brought up that they have the dinner in the hallways, but the Fire Inspector would have to okay that.

Liana attended a meeting at the school with the Grads to see what the big Entertainment ideas were.

Sumo Wrestling
Ball Pit
Bouncy Castle
Dancing
Velcro wall
Laser Tag
Picture Booth
Henna Tattoos
Gambling Casino
Card & Palm Reading – Have two ladies
Paint Ball
Group Photos
Movies

Liana has booked the Hypnotist and Magician as per Gary and Michele.

Brainstorming:

The group brought forward many ideas to take forward into the New Year and pass along to the other Committees:

- While waiting to proceed inside the school after the red carpet have a picture opportunity out front the Schools front doors and maybe into the first hallway. Have appies being served by parents dressed up as an actor or see

if the Echo Theatre or Bard to Broadway actors would like to volunteer, dressed as actors, students could have their pictures taken with them. Have parents as the Paparazzi along with Rob and Kim Williamson.

- Have Academy Award Posters collected for the hallways (Decorating Committee, but all parents could help to collect them from video stores)
- Have ID Cards for the students with their picture on them, (like the Casino Cards you get in Vegas to use on slot machines) they will get a stamp on it after they have attended a station (each station will have a different stamp)
- Have Grad 12 Counselor announce the students names when they are walking down the red carpet as he/'she knows all the kids names and most likely not pronounce them incorrect.
- Look into Pool Table and Fooze Ball Table rental, set up in the First Nations Room.
- Ask Carrie about Doug Smith to start to get posters
- Group photo with the Grad Class after supper when the Gym is being changed into the Entertainment Room – Ask Rob and Kim if this is possible and what location could it be done in.
- Kenny Shaw Comedian
- Liana will speak with Byron Ayres about wooden movie characters (Marilyn, Gone with the Wind), with the faces cut out (students would place their face in the cut out area for photo) (Wood work project for students)
-
